Sir,

I am directed to inform that the Institution is not a university established under the Central Act or State Act or UGC Act. Therefore, it does not enjoy any power to award any type of degrees certificates. Many a number of cases pending in various Courts in U.P. regarding the status, recognition and conduct of the institution.

As regards the issue of granting permission for admission of students in universities and colleges is concerned, the same does not come under the purview of the UGC. It is for the concerned university and the college to decide about the admission process and the recognition of a particular degree for that purpose. Therefore, the request of the Director, Bhartiya Shiksha Parishad, U.P. cannot be entertained by the UGC.

Yours faithfully,

(K.S.V. REDDY)
